Super League **Update:** Our Super League girls were in action at the National Cup Semi Finals against Killester in Neptune stadium. It was a very close game which could have gone either way however Killester edged out a 3 point victory in the end. Despite a massive individual 38 point contribution from our Parker, Killester came

out on top of what was considered the game of the weekend. We are very proud of how our team are performing this season and we are in contention to make the top 4 playoffs. Our final home game of the season is this month against league leaders DCU which promises to be a thriller. Why not come along to the Mardyke for this one to support out girls.

If You've Ever Considered Seeing A Chiropractor

You Must Read This Now

If you suffer from a health problem and have considered seeing a chiropractor, this could be the most eye-opening article you'll ever read.

Imagine for a moment that its 6 months from today...

You're enjoying what you love to do...playing golf, playing with the kids, or maybe just laying on a beach somewhere.

You're free of the pain and health issues that were holding you back. You have more energy, better health, and absolutely no pain.

Does this sound too good to be true -- to live pain free, like you were in your younger years?

In a minute, I'll tell you how you can make this a reality. But first you should know a little about me.

My name is Dr. Eric Kelly. I am owner and Chiropractor at Glanmire Chiropractic Clinic for the last 13 years. Since then, my associate Dr Diana Petersen and I have used gentle chiropractic treatments to help thousands in our community feel better and live healthier, more productive lives.

"Does Chiropractic Really Work?"

Chiropractic has been around for over a hundred years and has been used to help everyone from tiny babies to the elderly. Even top sports stars and entertainers... like Usain Bolt, Tiger Woods, Venus Williams, Gov. Arnold Schwarzenegger, Mel Gibson and Madonna..

The Lancet, the most respected research journal in the world, published 3 articles, reviewing research which demonstrated the effectiveness of chiropractic interventions on lower back pain. The study demonstrated chiropractic to be the treatment of choice, for acute low back pain, over surgeries and some medicines, e.g. opioids. Chiropractic was also recommended for long standing low back pain.

Read What Our Patients Have to Say...

When I came I had pain in my lower back. I had pain all the time. My life has changed so much since I started my treatment. I can walk, run, bend, and walk up stairs. I have no pain. It is so good I am pain free.

~ L Coleman

Although chiropractic works great for back pain, at our office we've helped patients with a wide range of problems.

"Isn't Chiropractic Just For Back Pain"

We can help conditions like...

- Headaches and Migraines
- Numbness in the Arms and Legs
- Carpal Tunnel Syndrome
- Athletic Injuries
- Car Accidents
- Shoulder, Hip And Knee Pain
- And much more

Chiropractic Cost?"

It's impossible to know for sure what you'll need to get rid of your nagging health problem until I've examined you. That's why for 15 days only, €40 will get you all the services I normally charge new patients €120 for!

What does this offer include? Everything I normally do in my new patient evaluation. Take a look at what you will receive:

• An in-depth consultation about your health where I will listen...really listen.

• A complete nerve, muscle and spinal exam to find the "cause" of your problem.

 A thorough analysis of this exam and any xray/MRI reports you may have available so we can map out your plan to better health.

I'll answer all your most probing questions about chiropractic and what it can do for you. The appointment will not take long at all and you won't be sitting in a waiting room all day either.

To take me up on this special offer, you must come in before March 16th.

Phone 021 4824450

When you call tell the receptionist you'd like to come in for the Special Chiropractic Evaluation before ...

Call today and we can get started with your consultation and exam as soon as there's an opening in the schedule. Our offices are called Glanmire Chiropractic Clinic, Eastcliffe Hse (next to AIB)

Sincerely, Dr Eric Kelly, D.C.

P.S. You've got enough people trying to waste your time with risky treatments that you don't really want or might not need. I'm not one of those people.

What I'm offering here is something quite different. I encourage you to call today and start living a healthier, more joyful life.

P.P.S. Why Suffer With Years Of Misery?

The big myth about health problems is "maybe it will just go away on its own."

A 1998 study in the British Medical Journal proved this myth false, showing that most backpain sufferers who do nothing will have pain 12 months later.

That's no way to live, not when there could be an easy solution to your problem.

"NÍL AON GLEANNTÁN MAR DO GLEANNTÁN FÉIN" GLOUNTHAUNE NEWS BY "THE FOREIGN CORRESPONDENT"

ON THE BUSES

A new private bus service, "Cork Connect", is expected to get underway at the end of this month and will connect Cork City Northside, Kent Station and Little Island. It will operate from six fifteen am until nine pm and will run every half hour for the morning and evening rush periods, and other than those it will be an hourly service. Wi-Fi and charging points are provided in the all-new air conditioning coaches and the weekly ticket, if travelling the entire route, will cost approx. two euro twenty per journey. The service will be of tremendous benefit for those working on Little Island and also of course for the residents, and it is interesting to note that this is not the first Little Island bus service.

One commenced in March 1928 and the service was only a few days in operation when the bus collided with Dunkettle Bridge on Sunday March 25th. A report of the collision was published on the following day's Cork Examiner: "Passengers travelling between Cork and Little Island had an extraordinary escape yesterday when a bus ran into the railing of Dunkettle Bridge, a few miles from the city. The accident happened about three, fifteen pm and was witnessed by a number of motorists and persons who were going to a hurling match at Riverstown. When the bus, which is owned by the Southern Motorways, reached the causeway, two passengers alighted and a few moments later, when the driver was negotiating the bridge itself, a crash was heard and the wooden railings were smashed like matchwood. Horrified spectators saw the vehicle totter for a moment over the river, which is about twenty feet below, but fortunately, the driver was able to jam on the brakes in the nick of time to avert a disaster. The eight passengers, all men, escaped with shock and

the driver and conductor got a hard shaking. The bus had to be vacated with the greatest care owing to its precarious balance. Almost half the vehicle was overhanging the channel and it was apparent that it had only been saved two or three beam-ends extending about half a foot over the side. Fortunately these planks were solid enough to support the great weight. A lady motorist who was driving behind the bus fainted in her car. The bridge was a temporary wooden structure erected to replace the swivel bridge destroyed during the Black & Tan regime. The narrow passage had been the subject of discussion by Cork County Council and contracts were recently invited for the erection of a permanent bridge. The Cork-Little Island bus service was only a few days in existence". Well, let's hope that the "relaunched" bus service will not encounter such an infamous beginning!

HORROR COLLISION:

Rearetfully some passengers travelling on the Waterford-Cork Express bus service on Friday March 31st. 1978 were not as fortunate as those on board the aforementioned. The bus-truck collision occurred a couple of hundred metres east of Fitzpatrick's Shop and the Cork Examiner carried the following report on its Saturday April 1st. edition: "A major investigation was under way last night into one of the Republic's worst ever road accidents which claimed the lives of five people and left twenty five others injured – at least eight of them seriously.

The horror accident occurred at Glounthaune, six miles east of Cork city, on the main Cork to Waterford road. The fifty-five seater, nine thirty am ex Waterford to Cork express collided with a thirty ton articulated truck conveying grain to the Irish Distillers plant at Midleton on a wide and straight stretch of road, virtually outside the Waterman's Bar and Squash Court Centre. Many of the thirty

four passengers on board the bus were catapulted out as far as forty feet in the impact which tore away much of the front and left hand side of the bus. At least three people died within minutes of the impact while the lorry driver, fifty year old Patrick O' Shea of Midleton, father of three and an employee of Irish Distillers, was transferred to St. Finbarr's Hospital where he was pronounced dead on arrival.

Two of the victims, retired lorry driver Richard Long, sixty, of Ballyfarnogue, Campile New Ross and former car salesman, sixty six year old William Nolan of 27 Glenville Court, Dunmore Road, Waterford, were travelling to Cork on separate jobs to collect new cars, one of them at the Ford Plant". The Glounthaune community was stunned by this tragic occurrence on its doorstep and it is difficult to acknowledge that the time span is now forty two years.

BIRTHDAY **GREETINGS**: to "local boy of Sars fame" Jim Murphy who recently celebrated his septuagenarian status. He was known to be involved in "run-away-knock" escapades at Blossomgrove in his youth but his real sport achievements were on the GAA fields. Jim was a hurler of note and in 1963 was goalkeeper on the Little Island Fé 14 hurling side that won the East Cork "B" championship. Noteworthy was the fact that for the first time ever the team was composed of players who resided in all areas of the parish and it is generally acknowledged that this lead to the formation of the Erins Own club in November 1964.

Jim also won medals with Erins Own at Fé 16 level and he was on the victorious 1967 minor team that defeated red-hot favourites Midleton in the final on a scoreline of 2-11 to 2-07. This was one of the sweetest ever victories that the club experienced and it is probably only surpassed by the county senior victory of '92. The D.D. Sheehan trained minor side was then called Erins Own Rovers and the panel was supplemented by three players from Aghada. However Midleton savoured sweet revenge the following year when defeating Erins Own in the final by 5-10 to 3-02, but this was a special year for Jim as he was selected on the Cork minor hurling team. Incidentally in 1969 Erins Own qualified for their third final in a row but lost to Youghal by 5-12 to 3-03 when a young lad named Seanie O' Leary played havoc with the Erins Own defence. Back to Jim though! His "true love" with Sars and its supporters, well one special one anyway, became obvious when he defected across the meandering border and later married the wellknown Sars camogie star, Pat Canavan. Meantime the Erins Own machine was still rolling along nicely and the next incentive was to capture a Fé 21 title. In 1970 most of the '63 players were on the twenty one year mark and the side qualified for the East Cork semifinal against neighbours Sars.

"Big Brother" Jim played centre back with Sars whilst young brother Dave played wing forward with his beloved Erins Own. Liam Murray was Jim's direct opponent that day and he was instructed to keep the ball away from him which really acknowledged the quality hurler that Jim was, and it also said a lot about Liam! The game ended with an Erins Own victory on a 4-09 to 3-08 scoreline and the side went on to win the East Cork final by defeating Cobh 4-08 to 4-06. Jim became "more Sars than the Sars themselves" and he gave tremendous service to the club both as a player and administrator.

He stood-down from the position of secretary, following fifteen years of service, at the club's January 2020 AGM and he was appointed Vice President. The craic, the ceol agus an caint was mighty at Jim's party, which appropriately was held at The Rising Tide on the night that Kieran and Deirdre celebrated one year in business. The cake "adorned" with the Sars crest, which was reportedly devoured by an Erins Own supporter, was delicious and bearing in mind the number; Jim did a super job "blowing out the candles", but sure he blew away all before him in the field of play in the last century!

WOMEN GARDENERS

8

Women gardeners are more open and generous with one another than men! They converse and pay compliments to one another at the drop of a hat. Look at what the famous Vita Sackville West had to say about the cottage garden expert of the 1950's, Margery Fish, on the publication of her book "We Made a Garden"; "It is a book written by a woman who, with her husband, created out of nothing, the sort of garden we should all like to have, a cottage garden on a slightly larger scale......l defy any amateur gardener not to find pleasure, encouragement, and profit from this book". This was indeed a magnanimous review.

Apart from her many books, Margery Fish's was quick to point out that given a choice between a sunny and a shady garden, she would pick the shady one every time. I would choose similar. My reasoning, (and hers I presume) is logical, for there is not only a sparkling cast of shade-loving plants from which to choose (ferns, trilliums, erythroniums, primulas, blue poppies, spring bulbs, hostas etc) but the atmosphere created by an overhead canopy of living foliage is truly enchanting. To sit beneath the light dappled shade of a small garden tree, feeble with the burden of its own scent, or near a specimen able to dribble off its pendulous flowers one by one till the nearby ground metamorphoses into a lake of yellow (or blue or

red) is one of the most immensely pleasurable dimensions ٥t gardening. Simply listening to the wind gently moving and rustling overhead is to become aware of vet another superbly gratifying garden experience.

What a boring and uninspiring garden is one devoid of a tree's shape and structure, its light and shade, power and beauty. The smaller the garden and the more featureless the surroundings, the more reason there is to take the woodland tack. Looking at the small and medium gardens in my area these past few winter months I have found that there is no comparison between those animated by silver birches, magnificent amelanchiers, and glossy evergreen camellias (for example), and those sitting empty and dismal awaiting the arrival of the first daffodil in the front garden, or the bleaching linen on the washing line out back.

And so, as we enter National Tree Week (March 17th to 24th.) I exhort all gardeners to plant yet another tree in their gardens and to guard it for the future. Now I may not have that magnificent Amelanchier mentioned above but I love it as if I had. A number of these are growing in the 'Heather Vue Estate and they command attention when in bloom and in their autumn dress. The spring flowers are milk white and less anaemic than white cherry blossom, and in autumn its

Amelanchiers grow magnificently at Heather Vue Estate, Glanmire.

leaves turn a brilliant orange/red. Being deciduous, the new leaves arrive about the same time as the blooms; unfurling sheaves of bronze turning to a glossy, mid green as the days of mid-summer approach. In autumn, the foliage becomes drained of blue to take on a red-purple mantle which lasts until the very hardest frost wipes them clean from the frozen branches. The snowy mespilus (its common name) can produce fruit in season; holly-sized berries which are sweet and juicy, red in summer, ripening to a deep purple-black, as the seasons advance.

THE GARDEN IN MARCH

ANTICIPATION is very much the mood of March. Early in the month, we enter a time of strong colour; the brilliant blue of scillas, yellow daffodier and Bibbe (with its discase) daffodils, red Ribes (with its disap-pointing smell of tom-cats urine) yellow forsythia and the yellowgreen and plum-red growths of young day lilies, paeonies, and low-growing Muscari.

muscari armeniacum (grape hyacinths) are one of the pleasures of the spring garden. It grows to just 8 inches and spreads itself about with unrepentant abandon. It contrasts nicely with other bulbs but just for the sake of argument, cut a single flower stalk and bring it indoors. With the aid of a magni-fying glass inspect the blooms fying glass, inspect the blooms and it will be possible to see its

hidden, deeper beauty; the fleshy bells have recurved, white-edged recurved, white-edged tips and a cluster of tightly furled caper-like buds. Magnificence on a

grand scale. CAMELLIAS now at the height their three month season of blooming, are arch deceivers; they look too exotic to succeed outdoors as easily as they do, and they also look as though they should be richly scented yet they're rarely perfumed if at all. No spring garden is complete without at least one variety for even if the ground in totally lime-ridden, these take to pot culture with a willingness that impresses. Buy a decent sized pot (terra-cotta for preference) and fill it with a mixture of lime free soil to which has been added a copious amount of potting compost, leaf-mould or pine-needles. Into this cake mixture put as big a camellia as you can afford, bearing in mind that the older you are, the more you need to invest in something that won't take a decade and more to reach a commanding size!

LIFT AND DIVIDE. Clumps of crocus, whilst in bloom and full growth. Ideally this is best done after flowering but those impatient and anxious to see an effect need not wait. Do it now by all means, not wait. Do it now by all means, pulling the clumps apart into tufts of half a dozen or so and replant immediately in fresh ground. Go a little deeper with the planting than you would normally would for it will help support the slender stems until they re-establish. The best variety of all for naturalising is crocus tommacinianus. Watch for it Crocus tommasinianus. Watch for it in the future.

Asenath Nicholson

Thar na blianta, thagadh daoine go hÉirinn chun scrúdú a dhéanamh ar mhuintir an tíre agus ar na nithe éagsúla faoin tír a chuaigh i bhfeidhm orthu. Ina measc, áirímid Arthur Young a tháinig sna 1700idí agus Mr & Mrs Hall a tháinig sna 1800idí. Chaitheadar tamall sa tír agus d'fhágadar cuntais ina ndiaidh. Duine eile díobh ba ea Asenath Nicholson. Tá tábhacht ar leith ag baint léi mar chaith sí roinnt mhaith ama in Éirinn ag tréimhse stairiúil agus scríobh sí dhá leabhar faoi.

Asenath Nicholson

Saolaíodh Asenath Hatch i Vermont sna Stáit Aontaithe in 1792. Bhain a muintir leis an Congregation Church, sainaicme chreidimh Phrotastúnach. Lonnaitheoirí Sasanacha a thug an reiligiún go Meiriceá ó Shasana ba ea iad agus bhí cosúlacht idir iad agus na Puritans. Ainmníodh í as carachtar i Leabhar Geiniseas sa Sean-Tiomna darbh ainm Asenath. Cháiligh sí mar mhúinteoir ina baile dúchais agus ansin phós sí fear darbh ainm Norman Nicholson as Nua Eabhrac, baintreach fir, a raibh triúr páistí aige. Chuir an bheirt acu suim sa veigeánachas agus scríobh Norman roinnt leabhar a mhol an cineál seo aiste bia. Nuair a fuair Norman bás, thug sé deis do Asenath roinnt taistil a dhéanamh.

Duine an-dáiríre ba ea í, a chreid go láidir sa Bhíobla. Tháinig sí go hÉirinn in 1844 leis an aidhm chun an pobal a chur ar an eolas faoin mbíobla. Thug sí beart Bíoblaí léi agus fuair sí soláthar eile ón Hibernian Bible Society. Thaistil sí timpeall na tíre i gcóistí Bianconi agus chuaigh sí de shiúl cos go minic, leis. Bhíodh beart Bíoblaí aici i gcónaí agus léadh sí sleachta as an mBíobla nuair a chasadh daoine uirthi. Thug sí cuairt ar thithe galánta agus ar bhotháin, ar theach na mbocht agus ar phríosúin. Gach oíche, scríobhadh sí cuntas ar imeachtaí an lae. Déanann sí tagairt de na nósanna sóisialta a chleacht na daoine agus déanann sí iontas den deighilt mhór shóisialta a chonaic sí idir na huaisle agus na gnáth-dhaoine. Ní raibh an scéal amhlaidh i Meiriceá. Fuair sí lóistín i dtithe galánta agus i dtithe na mbochtán. Ba é an pictiúr de na bochtáin a fuair sí ón uasaicme ná go rabhadar compórdach agus sona. Ach chonaic sí féin a mhalairt lena súile agus bhreac sí síos gach rud a bhí feicthe aici. Chuir sí leabhar amach ar an gcamchuairt seo, a mhair 15 mhí. Ba é sin

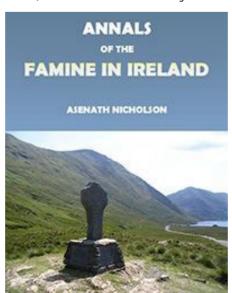

Micheál Ó Súilleabháin

'Ireland's Welcome to the Stranger' a tháinig amach in 1847.

Thug sí cuairt ar an Athair Maitiú i gCorcaigh agus chaith sí roinnt ama ina chomhluadar. Bhí gluaiseacht na staonaireachta faoi lán seoil ag an am seo agus chonaic sí an dea-éifeacht a bhí aige ar gach éinne. Bhí an tAthair Maitiú fial, flathúil, a dúirt sí agus chaitheadh sé mórán ama ag cabhrú leis na bochtáin. Bhí a shaol caite aige leis an bhféin-íobairt agus thug sé dóchas dóibh siúd a bhí gan dóchas. Nuair a bhí sí ag fágaint, ghuigh sí fad saoil agus coróin na glóire air ar Neamh agus í ag fágaint.

Ina dhiaidh sin, thug sí cuairt ar Dhroichead na Bandan agus ar mholadh an Athar Maitiú ar Bheanntraí. "Más mian leat bualadh le bochtáin, téigh go Beanntraí mar a bhfuil gach cineál ainnise." B'fhíor dó. Nuair a d'fhéach sí isteach i mbothán, chonaic sí beart tuí a bhí ina leaba do mhuintir an tí agus do na muca. Ba é sin an pictiúr ba mheasa a bhí feicthe aici. Nuair a d'fhiafraigh sí de mhuintir an tí an raibh éinne breoite, d'fhreagair said go raibh gach éinne díomhaoin agus nach raibh pingin tuillte ag aon duine díobh leis na cianta. "Conas a mhaireann sibh" arsa Asenath. "Faighimid práta nuair is féidir linn agus sin an méid", a d'fhreagair said. Ba é seo 1844, an bhliain sular thosaigh an Gorta Mór.

D'fhág Asenath Éire tar éis cúig mhí dhéag. Chaith sí tamall in Albain agus d'fhill sí in Eanáir 1847. Ba é 1847 an bhliain ba mheasa den Ghorta. D'oscail sí cistin anraith i mBaile Átha Cliath. D'úsáid sí a cuid airgid féin agus airgead a bailíodh i Meiriceá agus a cuireadh chuici chun bia a chur ar fáil do na bochtáin. Ceann de na rudaí a bhí conspóideach sna blianta seo ba ea an mhin bhuí a chuir rialtas na Breataine ar fáil. Bhaist an pobal a bhí ag brath air ar fud na tíre "Peel's Brimstone" air mar ní raibh sé blasta. Deir Asenath go raibh an mhin bhuí blasta, áfach, má bhí cócaireacht cheart déanta air. Rinne sí féin an chócaireacht agus ní dhearna daoine gearán ar bith faoin mbia. Nuair a bhíodh a cuid oibre déanta aici don lá, scríobhadh sí litreacha chuig a cairde

i Meiriceá, a tháinig i gcabhair uirthi. Thug sí cuntas an fhinné súl dóibh ar an ngorta.

Bhí a creideamh mar chrann taca aici san obair dheacair agus bhí sí buíoch de Dhia a thug an misneach agus an spiorad agus an neart di chun leanúint leis an obair. Théadh sí isteach id tithe na mbochtán, chomh maith chun an bia a ullmhú dóibh. Insíonn sí scéal faoi mháthair agus beirt leanaí a chas uirthi ar an tsráid. Bhí droch-chaoi orthu agus bhíodar ag comhaireamh na laethanta a bhí fágtha acu ar an saol seo. D'imigh sí isteach ina mbothán agus d'ullmhaigh sí bia dóibh ar feadh cúpla seachtain. Mhaireadar agus faoi cheann cúpla seachtain, bhí an bhean láidir go leor chun beagán a thuilleamh dá clann.

Nuair a bhí sí ag fágaint na tíre, tháinig daoine a raibh sí tar éis cabhrú leo chuici ag gabháil buíochais léi. Bhí Asenath an-tógtha leis an mbuíochas ó na bochtáin.

Tháinig mórán i gcabhair ar mhuintir na hÉireann in am an ghátair agus is cinnte go ndearna Asenath Nicholson a cion féin den obair charthanachta seo. Léirigh sí an

Radharc ón nGorta

Chríostaíocht a bhain léi i mbealach praiticiúil agus tá mórán buíoch di dá bharr. Tháinig an cuntas a scríobh sí ar an nGorta Mór, 'Annals of the Famine in Ireland' amach in 1851.

Fuair sí bás i New Jersey in 1855. Bhí sí 63 bliain d'aois.

Health and wellbeing in a new decade: a healthy mind in a healthy bodydream or reality?

Health and wellbeing: a case of "No pain, no gain"? We need to ignore the myth that seaweed baths and spin classes are the path to health. Wellbeing is about having fun and meaningful building relationships. This does not require an expensive spa experience, or spending every day in a gym. We all know about posh hotels advertising packages including 'treatments' and detox sessions.

Real wellbeing doesn't purchasing mean something. Wellbeing is really very straightforward: don't smoke, alcohol in moderation, some exercise most days and watch your diet. Easy?

Exercise should, above all else, be something you really enjoy. All exercise is good for you. A recent article in the Lancet medical journal concluded that people who exercise live longer, and are less likely to have heart attacks and stroke. exercise includes The everyday household

tasks and gardening. Jobs which involve standing, or walking are exercise! Walking, jogging, dancing, football, GAA, yoga, basketball, cycling...the list is endless. What about a 'Glanmire Parkrun'? We need to encourage our children to spend less time on 'screens'. Exercise is good for all of us, and more exercise is better. We don't need to buy expensive runners, or the latest lycra sportswear. We need to carve out some time for simple healthy exercise in our busy schedule, on a regular basis. This could be a short 10 minute walk at lunchtime, or parking a short walk from your destination and walking.

Once you incorporate such regular gentle exercise into most days, it becomes quite addictive. We do need the infrastructure for exercise. Proper footpaths and cycle lanes will help. It should be possible for our children to walk to school. A safe cycle lane from Glanmire to Cork city is feasible: it's a flat stretch of road. Cycling could become the principal means of urban travel, easier, faster and greener than driving.

OLD CHRISTIANS RUGBY CLUB

At Old Christains we are slowly recovering from all the storms first Ciara hit and our J1's had to cancel their trip to Tralee, as Tralee were badly impacted by the storm, then Dennis hit and we had to postpone the Fethard game.

We are currently in 2nd place in the league only because we haven't been able to play a few games.

Our J1's time in the Junior cup ended after a beating by Ballincollig. Once the weather clears and the pitches recover we can get back on track in the league and back to the top of the table where we belong. 1st of March we are away for our Tralee game and then away to Dungarvan. If you get a chance to see the lads play you should take it.

18's v Cashel/Fethard

Our 18's are doing well after beating Cashel/Fethard on the 2nd of February, we are now in the quarter final stages of the Munster Club Bowl. We must win our games in order to remain. Hopefully Storm Ellen won't stop this weekend games going ahead v Dophin. We also had to cancel a friendly v Fermoy because of Dennis.

Our Girls Team Our Girls finally managed to get a game and they travelled to Thurles on the 26th of January to play Thurles and they all played really well and came home the winners. They are currently the only team in the club with a 100% unbeaten record well done girls.

Rhinos:

Our Rhinos travelled to Cobh and Cashel in the last month.

Southern Kings The benefits of the Astro were also availed of by the Southern Kings before they faced Munster.

We would like to sincerely thank the Principals of Glounthaune, Knockraha and Little Island National Schools who gave our girls and mentors such a warm welcome on recent school visits. Our girls brought impressive along an display of silverware to show the children in the schools. The girls spoke to the children about camogie and football in our club as well as their love of the club, friendships made with each other and all the fun they have every week being part of Erins Own. They were fantastic ambassadors and we were very proud of them.

Gaelic for Girls

Whites Cross Ladies Gaelic Football club are hosting an exciting new programme called Gaelic4Girls (G4G) which starts on 8th March from 12pm in Upper Glanmire Community Hall for 8 weeks. It is open to all girls aged between 8-12 years who are not registered with a Ladies Gaelic Football team. It introduces girls to football in a fun environment and all participants will get a G4G Jersey and certificate on completion of the 8 week programme. Following the 8 weeks, the girls will be encouraged to register with our Ladies Football club, and those that do will be integrated into the existing teams. The programme costs €10. For more information, contact Ger Hayes on 086 8354767.

Junior Leagues Commence

The junior A football and hurling leagues commenced in the last month though the schedule was hampered by the storms that passed through. The Junior A played one game against Bishopstown where they were unfortunately beaten on a scoreline of 1-09 to 0-05. They coped admirably against a gale in the first half but were not as efficient in the second half in using the wind to their advantage. A goal from a penalty ten minutes from the end sealed their fate. No hurling game was played at time of going to print.

Underage AGMs

There were two underage AGM's in the last month. Firstly, St Colmcilles elected a fourofficer committee to steer the amalgamation with Carraig Na bhFear for the boys under 12 to 18 teams. The four officers elected were Willie Sheehan as chairman, Seán Coughlan as secretary, Eoin Crowley as treasurer and Conor Kelleher as PRO. Considering the 'outgoing'St. Colmcilles officers were elected in 1982, it was no surprise that they were not present on the evening to contest their positions! However, fittingly, the venue was Upper Glanmire National School given that two of those outgoing officers were teachers there at that time; namely Pat McCarthy (then headmaster) and Mort Cronin.

Our own juvenile club then held

their AGM the following week in the same location. The presiding officers thanked all the various stakeholders that contributed to the club's successes throughout 2019. Three outgoing officers were re-elected. They were Seán Coughlan as chairman, Kevin O' Callaghan as secretary and Finbar Pyne as communications officer. Mike O'Flynn, the outgoing treasurer, has been an officer, mostly chairman, since the inception of the juvenile section in 2010 but, recently, became the overall White's Cross GAA club's chairperson. Brian Harte was appointed as the new treasurer. Brian's father Tom, of course, give many, many years of service to underage affairs in White's Cross well before the existence of a formal committee. The younger Harte will, therefore, be aware of the efforts required. No doubt, he, like all the officers, in both committees, will do their work diligently and efficiently in the year ahead. We wish them all the best of luck.

Trench Cup Success

The CIT senior footballers will be back plaving Sigerson Cup football next year thanks to victory in the Trench Cup. This is significant from a White's Cross perspective as the man that has lead them back up to the top tier is our own clubman-Conor Kelleher. This is Conor's first year in the role so it represents a massive achievement to get success so early in the role. Well done to Conor and to all involved in CIT!

Underage Training

All our teams are now back training. Our youngest group, our under 6 Future All-Stars, train every Friday night in the Upper Glanmire Community Centre from 18.00-19.00. As always, we are delighted to welcome new members for the year ahead for this or any age group. We cater for all ages from under 6 upwards. Pop along to the centre on a Friday evening and we will put you in touch with the person responsible for the relevant Alternatively look for team. At this month's club meeting we were able to present Shine A Light, we hosted who our annual Christmas table quiz for, with a cheque for €700 from the takings on the night. Thank you to Joe Dalton who spoke about the significance of the money and how it could provide up to 35 counselling sessions for people in need of help.

On Sunday 16th February club members participated and supported the regional National Talent Competition in Knockraha Community Hall. This competition is always guaranteed to be an entertaining night and this year did not disappoint.

Glanmire members entered various categories on the night. Muireann Kennedy and Patrick Healy both took part in the solo singing. Both members along with April Lynch, Aisling Walsh, Linda Cronin, and Marie Hayesformed the ballad group.

They performed two beautiful songs on the night: Eagle Eyed Cherries, Save Tonight, followed by The Auld Triangle. Patrick Healy also took part and won the Mastermind category. Best wishes to Patrick competing in the upcoming National Finals.

Finally, this week the Seandún round of Impromptu Debating took place in Western Gateway Building UCC. Glanmire's experienced debating team consisted of Declan O'Hara, Gillian Kenneally and Michael Buckley. They debated against two very strong and upcoming UCC teams.

The motions debated on the night were 'Ireland

should be a Monarchy' and 'The FAI should be shut down'. While both sides of each argument presented interesting points it was Glanmire that came out on top. Good luck to Declan, Mike and Gillian in the next stage of the competition.
